Subject No. 360.
Increase of the tasdik of Himavadgopalaswami temple and of the pay of the archaks attached to the institution.

Summary of discussion.—The present tasdik allowance of Himavadgopalaswami temple, which is situated on a hill, is insufficient. It should be raised, as also the pay of the Archaks, &c.

Reply of Government.—The tasdik cannot be increased.

Subject No. 361.
Construction of bridges on the roads to Sante Marahalli Market.

Summary of discussion.—The cart traffic of raiyats and merchants passing to Sante Marahalli weekly market is seriously inconvenienced for want of necessary bridges on the roads leading to Chamrajnagar, T. Narsipur, Kowlande and Marahalli. It is therefore requested that the money required for the construction of these bridges may be granted as a loan from the Local Funds General to be repaid by instalments from the realizations at the Sante Marahalli weekly market aggregating about Rs. 4,000 per annum.

Reply of Government.—Noted.

Subject No. 362.
Investment of the funds of the Chamarajeswara temple at Chamrajnagar.

Summary of discussion.—The funds at the credit of the temple of Chamarajeswara may be invested in Government securities or otherwise for the benefit of the institution.

Reply of Government.—The Muzrai Superintendent is in correspondence with the Comptroller on the subject and will do the needful.

Subject No. 363.
Grant of lands to the temples of Keerthi Narayanaswami and Vaidyeswara at Talkad.

Summary of discussion.—The tasdik of the important temples of Keerthi Narayanaswami and Vaidyeswara at Talkad being very small, the sand dunes (Maralugudde) recently planted may be registered in the names of these temples and placed at the disposal of the District Muzrai Officer.

Reply of Government.—Not desirable to do so for the present. The Conservator's report is under consideration.

Subject No. 364.
Concessions to persons intending to construct houses in the Kagglibore kaval and near the Bagurammana gudi in the Yedatore Taluk.

Summary of discussion.—The concession shown by Government to raiyats who have built houses in the Kagglibore Kaval and near the Bagurammanagudi in the Yedatore Taluk, may be extended to persons intending to construct houses in the said localities during a further period of two years, the latter being granted building sites free of charge and 2 acres of dry land for cultivation on assessment, one acre free of cost and the other on payment of a price equal to the amount of ten year's assessment.

Reply of Government.—This will receive the Deputy Commissioner's attention when an application is made to him.

Subject No. 365.
Levy of contribution on lands irrigated by the branch channels drawn from the main channels of the Kapila River.

Summary of discussion.—It is requested that the contribution leviable on dry lands irrigable by the branch channels drawn from the main channels of the Kapila River may be recovered in two instalments after the lands are brought under wet cultivation, as was done in the case

of the lands irrigated directly by the main channels. The Revenue authorities demand payment of the contribution before the lands are brought under wet cultivation, and this proves a hardship to the raiyats.

Reply of Government.—Will be recovered in two annual instalments.

Subject No. 366.
Sanitary improvements in the town of Nanjangud.

Summary of discussion.—The town of Nanjangud is badly in need of sanitary improvements, such as filling up pits, opening out congested parts, &c, necessitating payment of compensation to the owners of lands and houses. A grant of Rs. 5,000 may be made by Government or the balance at the credit of the Municipality permitted to be utilized for the purpose.

Reply of Government.—An application has been made to Government for the grant of a loan of Rs. 5,000 for the purpose. The loan application in question is under consideration.

Subject No. 367.
Repair of, and endowment to, the temple of Hanumanteswaraswami at Bannur.

Summary of discussion.—The ancient and famous temple of Hanumanteswaraswami at Bannur is in a dilapidated condition. It may be repaired by Government, the produce (17½ kandies of paddy) of the wet land called Kunnirkatte being granted to it to admit of the proper performance of the prescribed services. The present tasdik of the temple is very small, being only 2 or 3 fanams per month and the worship therefore is performed with the aid of small contributions by the votaries.

Reply of Government.—No paddy is available, the produce in question having been given away to certain other temples.

Subject No. 368.
Repairs to the T. Narsipur-Chamrajnagar road and to the cart track to Kollegal.

Summary of discussion.—The road from T. Narsipur to Chamrajnagar and the cart-track from the former to Kollegal are out of order, causing much hindrance to the large traffic passing thereon *en route* to Sante Marahalli market, &c. Both these roads may be repaired and the cart-track included in the list of District Fund roads.

Reply of Government.—Referred to the Local Fund Board for consideration and disposal.

Subject No. 369.
Railing the bunds of Madigahalli and Kodagahalli tanks.

Summary of discussion.—The bunds of Madigahalli and Kodagahalli tanks on which the road to Seringapatam passes are very high and require railing to prevent accidents.

Reply of Government.—Referred to the Local Fund Board for consideration and disposal.

Subject No. 370.
Sinking of drinking water wells in Turubanur, Yachenahalli and Maleyur.

Summary of discussion.—Much difficulty is experienced in respect of drinking water for men and cattle in the villages of Turubanur, Yachenahalli and Maleyur. Orders may be issued for wells being sunk in those villages from the Local Funds to supply this want.
